Munich

12. September 2024

I am already a **LEADER** ...

... and now I would like to...

... become even more aware of my strengths.

... improve my self-leadership with ease.

... learn to inspire my team and others even more intensively.

... consolidate what I have newly experienced.

Make people great

- AS&P trainers, who work daily as **AGILETRANSITIONCOACHES** in practice, have already “agilized” more than 1000 teams in over 200 well-known companies and certified more than 500 **AGILECOACHES**.
- AS&P **HARDSKILL** Trainers come directly from the practice and know the challenges that arise when implementing modified processes.
- AS&P **SOFTSKILL** Trainers have over 20 years of training experience in facilitating, inspiring and coaching teams.

AGILE Training levels.

Structure of the training modules and certificates.

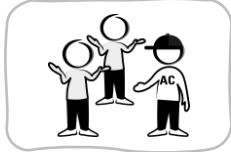

Why **AS&P**?

How we ensure the quality of our training.

Specialization in **HARD-** and **SOFTSKILLS**.

From practical experience for practical application.

Our **HARD SKILL** - Trainers also accompany the agile transition in companies alongside the training courses.

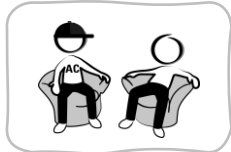

Management Experience.

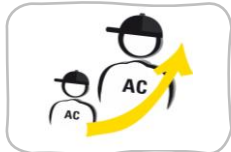

AS&P Trainers come from management positions in technology-focused industries.

Depth: specialization in **AGILE** in **mechatronics**.

Strong **practical relevance** through training in the context of **individual cases**.

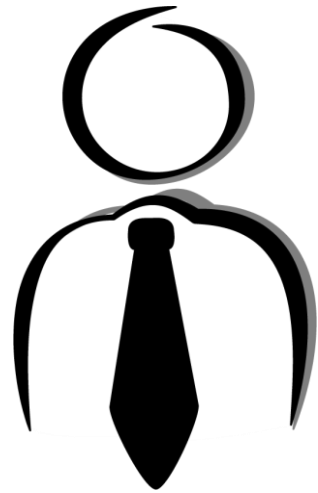

In AS&P Monthlies and Quarterlies, our **AGILE COACH TRAINERS** share their **project experience** and constantly develop the methodological toolkit further.
